

Dear international ice swimmers,

The registration for the dutch open ice swimming is open now.

Because at the moment we don't have international payment possibilities, we suggest to follow the following instructions.

- Go to the site <http://degrensverleggers.nl/events/> and choose the event(s) you want to enter and make the choices for the distances you would like to swim.
- After filling in the form you will find a total amount to pay (19 and 21 january are together and 20 is another button)
- Send an email to [marcel@openwaterswimming.club](mailto:marcel@openwaterswimming.club) and inform us about the distances you want to swim for all days.
- Confirm your participation by paying the total amount to:
  - **IBAN NL29 INGB 0006096433      BIC code INGBNL2A,**
  - to de grensverleggers; Ieplaan 105; 2565 LJ Den Haag]
  - after receiving the money you'll be confirmed about your participation.

Best Regards

Marcel Stroet and Marcel van der Togt
